

St. James' GAA Galway Celebrating 25 Years

SPRING 2020

Daomh Séamas
25 years

Message from our President Martin Crowley

It is my great pleasure and honour to welcome you all to our special celebration of the twenty five years. I take this opportunity to thank and salute you all 'Our St. James Family' for honest effort, friendship, spirit and success both on and off the field of play. May the memory of our deceased members always inspire us as our club continues to grow and develop.

I will conclude with the following; " Remembering the Past, Celebrating the Presents and Preparing for the Future".

Enjoy the night

Mile Buchas

Chairman's Address

I will begin by saying that there is no greater binding force than the glue of necessity. Twenty five years ago, two proud rival Clubs (Mervue & Renmore) had plateaued with decline eminent unless merged. I am proud to say that working together as a united GAA family, St. James' is one of the few successful Club amalgamations in this Country.

While planning our way forward in 1994 with the sole focus of building a Club capable of competing at the highest level at all grades of Gaelic Football, we also had an overarching vision to provide a Social, Recreational and Sporting outlet for all members of our Community whilst simultaneously promoting the values and ideals of "Cumann Lúthchleas Gael".

St James' GAA clubhouses (Mervue & Renmore) is the fulcrum of all club activity, providing a shared base for sporting, cultural, and social activities in our community. I am also proud to acknowledge St. James' role in embracing inclusiveness and diversity while also being steadfast as a non-political organization.

St. James' GAA Club Facilities and Infra-structure is well developed and we are continuing to develop and upgrade to embrace current standards and requirements. In this regard hopefully, we will be in a position to build our Astroturf all weather pitch later this year as well as developing our technology whereby improved communication with all our Members including Expats / Diaspora can be improved.

Finally, it is the duty of this current generation of Club Officers to set out strategic plans to harness the potential of future Players / Coaches by building on today's foundations to achieve greater prosperity for our club and the community we serve.

Jimmy Newell, Chairman

Juvenile Director's Address

I would like to take this opportunity to thank all the volunteers who are immersed with coaching, committee duties and other extra-curricular activities.

The St. James' Academy is expanding on a yearly basis and the main focus is player development. The end goal for the juvenile club is to graduate players to our senior team and also at county level.

It is an honour for me to be chairperson of the juvenile section in 2020 and I hope that we can continue to build a culture, improve and enhance coaching, develop new initiatives and continue the great community work that we provide for children on the east side of Galway city.

Go raibh míle maith agat

David Henry

MENS CLUB HISTORY

St James' G.A.A. club was established in 1994 and catered initially for adult football, drawing from the existing clubs of Mervue and Renmore. It later expanded to cater for minor and U21 football and in 2007, both Mervue and Renmore Juvenile Clubs ceased to exist as playing entities and both came under the remit of St. James' GAA Club. The reason for the merger was because both clubs were struggling to field teams. Given the proud history of both clubs, their committee members were determined to build a strong force of players that would be capable of competing at the highest level in County Galway. Initially the new club was named Mervue/Renmore. The toss of a coin decided which name would come first. In 1998 the Mervue/Renmore club was renamed St. James' Gaelic Football Club at the AGM that year. The new club colours were Green and White. The colours were chosen from their original clubs; Renmore wore a maroon and white kit, while Mervue wore red and green. Later the club decided to move away from the white and green strip and thus a new club colour strip was implemented. This resulted in the green and maroon strip and over time they became known as the 'The Jimmies'. Initially, they only fielded adult teams in Intermediate and Junior B grades however, in line with the intended phased basis towards total integration, Minor grade was completed in 2002.

St. James' completed the phased implementation in 2007 when all Juvenile grades were merged. This provided an ideal platform for the growth and development of Gaelic football in the east-side of the city, with facilities at two sites (Mervue and Renmore) and an experienced bank of on-site Coaches and Managers. Over the years Galway city expanded extensively and sprawling new estates began to emerge. This resulted in the St. James' catchment area growing and a strengthening of the club. The catchment areas include Mervue, Ballybane, Castle Park, Wellpark, Good Shepherd Parish (Doughiska), Castlegar (Roscam, Roshill & Ballybrit) and Renmore. The club has gone from strength to strength and this is clear from the many successes it has achieved. The St. James Football Club was awarded the adult 'Club of the Year in 2010' in recognition of its outstanding achievements. In 2016, the Juvenile section received 'Club of the Year' from the Galway County Board. It is worth noting that the St. James' GAA brand is now well rooted and it has been one of the most successful club amalgamations in recent years.

The name chosen for the club was no accident as it was adopted from a very important site in the Mervue area. This is the Church of Saint James which dates from medieval times and an ancient cemetery is also associated with the site. There is a hugely interesting history to the church and indeed the cemetery, were many significant and important people were buried. While many of the graves have been identified, there are many more that remain unidentified. It was the burial place for families in the area including Mervue and Renmore. The club have included an image of the site on the club crest. Please note that this is simply a brief account of the club, but one can look forward to reading the entire history in the near future.

Management team: Johnny Regan manager, Brendan Flynn selector, Mike Mulhare selector, Denise Shaughnessy secretary and Jason Quinn mentor.

LADIES CLUB HISTORY

2014 Junior C County Championship Winners L-R Meabh Kelly, Martha Connolly captain and Sorcha Connolly.

St. James' Ladies Football Club was founded in 2012 to exploit the great talent of the girls living on the east side of the city. While the Ladies Gaelic Football Association was founded in 1974, women were playing football before this date. The formation of the St. James' Ladies Club followed in this great tradition. The club built on the work done by the footballing ladies of Renmore. The idea originated in 2002 when a group of people saw the successful men's structure in place for juvenile and adults playing football in the Renmore and Mervue area. This group of people decided to form a team so that girls could also enjoy playing football. A meeting was organised and the first ladies football committee on the east side of the city was formed. The Renmore club catered for U14 and U16 teams and they were soon playing in local competitions. A sponsored cup was donated to the Renmore association and the club began holding an annual blitz which attracted neighbouring teams. It must be noted that the Renmore club obtained a league title in 2010 and this contribution ensured the success of ladies football into the current era. Renmore had a successful first ten years fielding many strong underage teams and the club produced several county players. However, by 2011, the club was struggling for numbers and the difficult decision was made to disband Renmore Ladies Football Club.

It was then decided to approach the high flying St James' club and see if they were interested in introducing a ladies section. The club was more than enthusiastic about the proposal and thus in 2012 the first ladies team to play in the colours of St. James' entered the Ladies Gaelic Football Association Championship. It was a very successful venture and attracted girls from around Mervue, Ballybane, Renmore, Castle Park, Wellpark, Castlegar (Roscam, Roshill & Ballybrit) and Good Shepard Parish (Doughiska). The juvenile amalgamation occurred in 2015 and this was a great boost for the east-side of the city. The club has gone from strength to strength and this is clear from the many successes it has achieved at juvenile and adult level.

JUVENILE GIRLS TEAMS ROLL OF HONOUR

St. James' U14 County E Championship Shield Winners 2017
